Export compliance

1. United states law prohibits disposition of these commodities to: n. Korea, Iran, Cuba, Syria or Sudan unless otherwise authorized by the United States these commodities, technology or software to be exported from the United States in accordance with the export administration regulations. Diversion contrary to U.S Law is prohibited.

Warranty/return

All customers must request an RMA for any warranty/return considerations. If a customer wishes to return a unit, they must request to return within 7 days from invoice date. All returns are subject to a **35%** restocking fee. Any cancelled purchase order will also be subject to a **35%** restocking fee.

If a part is sold to a customer and they remove any parts or retest the unit in any form, it will Automatically void any and all return/warranty considerations. If a unit is returned for warranty **GPS** will request approval from customer.

Customer has 48 hours to approve or deny quote. If not approved within the allotted time frame the **GPS** reserves the right to approve or deny the quote.

Customer is responsible for any and all fee's associated with warranty including but not limited to: freight, evaluation charges, repair cost, etc. If the customer does not pay invoice within 30 days (unless account is prepay/cod) or communicate with **GPS**, then the property will be surrendered to **GPS**.

Any order returned for warranty will be subject to a handling fee **of \$150.00**.
